

Dishing Up Joy

ayoi!

Project Goal

Join us in dishing up some joy by providing a brand-new set of dishware and cookware for seven FAR centers across Armenia.

Project Background

Our parent organization Fund for Armenian Relief (FAR) supports some of Armenia's most vulnerable populations through a variety of life-changing programs—like the Vanadzor Old Age Home for elderly individuals without family, the Child Protection Center for children who have experienced abuse, and five soup kitchens that serve those living on the margins of society.

Every day, all together, these centers serve warm, nourishing meals to nearly 1000 people in need. But the dishware they use is worn and outdated.

You can help us serve dignity along with every meal. Join us in dishing up some joy by providing a brand-new set of dishware and cookware for each center.
